

# Andy Williams - Cherish

Tom: G

Intro: D C D C

Cherish is the word I use to describe  
 All the feeling that I have hiding here for you inside  
 You don't know how many times I've wished that I had told you  
 You don't know how many times I've wished that I could hold you  
 You don't know how many times I've wished that I could  
 Mold you into someone who could cherish me as much as I cherish you  
 Perish is the word that more than applies  
 To the hope in my heart each time I realize  
 That I am not gonna be the one to share your dreams  
 That I am not gonna be the one to share your schemes  
 That I am not gonna be the one to share what  
 Seems to be the life that you could cherish as much as I do yours  
 Oh I'm beginning to think that man has never found

The words that could make you want me  
 That have the right amount of letters, just the right sound  
 That could make you hear, make you see  
 That you are drivin' me out of my mind  
 Oh I could say I need you but then you'd realize  
 That I want you just like a thousand other guys  
 Who'd say they loved you with all the rest of their lies  
 When all they wanted was to touch your face, your hands  
 And gaze into your eyes  
 Cherish is the word I use to describe  
 All the feeling that I have hiding here for you inside  
 You don't know how many times I've wished that I had told you  
 You don't know how many times I've wished that I could hold you  
 You don't know how many times I've wished that I could  
 Mold you into someone who could cherish me as much as I cherish you  
 And I do cherish you, and I do cherish you cherish is the word
