

Andy Williams - Dear Heart

Tom: C

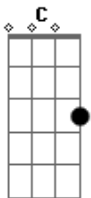

Dear heart wish you were here
 To warm this night;
 My dear heart, seems like a year
 Since you've been out of my sight.
 A single room, a table for one --
 It's a lonesome town all right.
 But soon I'll kiss you hello
 At our front door;
 And dear heart I want you to know,

I'll leave your arms never more.

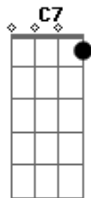

(Instrumental Interlude - 1 verse)

A single room, a table for one --
 It's a lonesome town all right.
 But soon I'll kiss you hello
 At our front door;
 And dear heart I want you to know,
 I'll leave your arms never more.
