

## **Andy Williams - Everybody Loves Somebody Sometime**

```
Tom: G
                    Е
                                                                                                        E7/13-
 Everybody loves somebody sometime
 Gbm D
                                                                                                                                                                                                                   B7
 Everybody falls in love somehow
E Fdim Gdim
Something in your kiss just
B7 E Gbm B7
                                                                                                                                                                                                                                                                                                      Gbm7
                                                                                                                                                                                                                                         just told me
 My sometime is now
                E7/13-
 Everybody finds somebody someplace
                                                                                                                                                 D
 There's no telling where love may appear
E Fdim Gdim Gbm7
Something in my heart keeps saying
B7 E Edim E
 My someplace is here
 Bridge
                                                                               Bm7
 E7 Bm7
 If I had it in my power
                                                                                                                                                                                   Edim
                                                                                                                                                                                                                                                                          Cdim
                                          Α
 I'd arrange for every girl to have your charms % \left( 1\right) =\left( 1\right) \left( 1\right)
