

## **Andy Williams - Gigi**

```
Tom: D
                                                                  in you
                                                                           C Em Cdim
                                                                                                    F Dm7
                                                                                                                        Fdim
  C Em Cdim F Dm7
                                                                  Oh, Gigi, while you were trembling on the brink G7 F Dm7 G Fdim G7
                                    Fdim
Gigi, am I a fool without a mind
G7 F Dm7 G Fdim G7
                                                                  Was I out yonder somewhere blinking at a star
Or have I merely been too blind to realise
Dm7 G7 Fdim F Dm7 G Cdim C
Oh, Gigi, why you've been growing up before my eyes
E Dbm7 A
                                                                  Dm7 G7 Dm7 A Bm7 A Oh, Gigi, have I been standing up too close
                                                                   Edim Dm Dm7 Dm7 Dm
                                                                  Or back too far
                                                                             F Dm7 Fdim G7
       you're not at all that funny
B7 Gbm Fdim B7
                                                                     E7
                                                                  When did your sparkle turn to fire Dm7 Fdim G7
awkward little girl I
                              knew
                                       D Edim G Em Edim G7 And your warmth become desire
D7 G Em D7
                               C
                                                                                                   G7
          overnight there's been a breathless change
                                                                  Dm7 Fdim C Em7 Dm7
                                                                  Oh, what miracle has made you the way you are
