

Andy Williams - This Is My Song

```
smiling so tenderly D D7 G7
Tom: C
                                                                   I know why the world is smiling,
                                                                              A7 Dm Dm7
   C
              Am Cdim C7M9
                                                                   It hears the same old story
                                                                                                       through all eternity
Why is my heart so light
                                                                   Melody
                                                                        C7M C C C7M
            Cdim
                       Dm7
                                G7
                                                                   Love, this is my song
Why are the stars so bright
                                                                   C7M9 CM7 C C7M9 Cdim Dm7 C
Here is a song, a serenade to you
