Andy Williams - Watch What Happens

Tom: D

```
D7M      D                     E7
Let someone start believing in you,
                     A7
Let him hold out his hand,
                 D7M   Gdim Dbm7  Gdim
Let him touch you and watch what happens.
D7M      D                     E7
One someone who can look in your eyes,
                 A7
And see into your heart,
                 D7M   Gdim Fdim  A
Let him find you and watch what   happens
Gb                           Gbm7      B7
Cold, no I won't believe your heart is cold
     E         E              Em7      A7
Maybe just afraid to be broken again
D7M      D                     E7
```

```
Let someone with a deep love to give
                            A7
Give that deep love to you
              A       D      D
And what magic you'll see
Interlude: D7M D E7 A7 D7M Gdim Dbm7 Gdim
D7M      D                     E7
Let someone with a deep love to give
                            A7
Give that deep love to you,
              A       D      D
And what magic you'll see.
Coda:
  D   Cm7   Bbm7       D      D
Let someone give his heart,
       Cm7    Bbm7      D      D
Some - one who cares like me,
       Cm7        Bbm7   D      D
Someone    who cares     like  me
```
