

Andy Williams - When Your Lover Has Gone

Tom: G

Tom: Dó menor (Cm)

Recitativo

For ages and ages, the poets and sages
 Of love won d'rous love always sing
 But ask any lover and you'll soon discover
 The heartaches that romance can bring
 What good is the scheming, the planning and dreaming
 That comes with each new love affair

The love that you cherish, so often might perish
 And leaves you with castles in air

Chorus
 When you're alone, who cares for starlit skies
 When you're alone, the magic moonlight dies

At break of dawn, there is no sunrise, when your lover has gone

What lonely hours, the evening shadows bring
 What lonely hours, with mem'ries lingering
 Like faded flow'rs, life can't mean anything

When your lover has gone
 When you're alone, who cares for starlit skies
 When you're alone, the magic moonlight dies

At break of dawn, there is no sunrise, when your lover has gone

What lonely hours, the evening shadows bring
 What lonely hours, with memories lingering
 Like faded flow'rs, life can't mean anything
 When your lover has gone
