

# Andy Williams - Winter Wonderland

Tom: A

Over the ground lies a mantle of white  
 A heaven of diamonds shine down through the night  
 Two hearts are thrillin' in spite of the chill in the weather  
 Love knows no season, love knows no clime  
 Romance can blossom any old time  
 Here in the open we're walking and hoping together!  
 Together, together together

Melody  
 Sleighbells ring, are you listening in the lane, snow is glistening  
 A beautiful sight, we're happy tonight, walking in a winter wonderland  
 Gone away is the bluebird, here to stay is a new bird  
 He sings a love song as we go along, walking in a winter wonderland

In the meadow we can build a snowman, and pretend that he is Parson Brown  
 He'll say, "Are you married?" We'll say  
 "No, man, but you can do the job when you're in town"  
 Later on we'll conspire as we dream by the fire  
 To face unafraid the plans that we made walking in a winter wonderland  
 In the meadow we can build a snowman, and pretend that he is Parson Brown  
 He'll say, "Are you married?" We'll say  
 "No, man, but you can do the job when you're in town"  
 Later on we'll conspire as we dream by the fire  
 To face unafraid the plans that we made walking in a winter wonderland
