

# Anees - Leave Me

tom:

Intro: Gbm A Bm Db

[Refrão]

Gbm A Yeah, I don't like the person that I am when I hurt you

'Cause in those moments I desert you

And I realise I don't deserve you

No, I don't deserve you, but

I'm praying on my knees begging that you won't leave me

But you can do so much better, please believe me

So I won't blame you if you leave me, leave me 'cause I

[Primeira Parte]

Gbm A I made a promise on the day we said vows

I swore to love you and to never let you down

Bm Db I told your father I'd protect you from the pain

I told your mother I would shelter you from rain

Gbm A You were the only one that I have ever dreamed of

My perfect truth that I've hidden with every lie

Bm Dbm If only I was less concerned about our future

I might have noticed you needed me by your side

[Segunda Parte]

Gbm A And after all of those days, you kept it inside

Don't know how I missed every tear that you cried

Bm Db I love you enough to let you be free

So I can't blame you, baby, it started with me

Gbm A 'Cause I loved you, but left you in moments of need

We broke like a promise too heavy to keep

Bm Dbm And baby, it kills me lately, 'cause maybe I'm the reason why

[Refrão]

Gbm A I don't like the person that I am when I hurt you

'Cause in those moments I desert you

And I realise I don't deserve you

No, I don't deserve you, but

I'm praying on my knees begging that you won't leave me

But you can do so much better, please believe me

So I won't blame you if you leave me, leave me 'cause I

[Terceira Parte]

Gbm A I'm so sorry for the way things went down

You deserve a king and I'm not wearing no crown

There's tears welling up in your eyes, and I'd be lying through my teeth if I told you I was surprised

What did I think would happen after all of this time?

It's like you blink and 7 years just passes you by

I wish that I could run it back and right my wrongs

Maybe you wouldn't be gone if I wasn't chasing these songs

[Quarta Parte]

Gbm A And I spent my energy trying to actually be a better man

Lost my centre piece

And I don't think you understand what you meant to me

Our love was deeper than ration, but never loved you enough to set you free from my passion, I

[Refrão]

Gbm A I don't like the person that I am when I hurt you

'Cause in those moments I desert you

And I realise I don't deserve you

No, I don't deserve you, but

I'm praying on my knees begging that you won't leave me

But you can do so much better, please believe me

So I won't blame you if you leave me, leave me 'cause I

[Ponte]

E A But maybe we had to break to grow

Maybe I had to lose to learn

D E But when I hear you name I feel the pain, and my heart still burns

Maybe this is my sacrifice

Maybe I'll love you my whole life

But I'll lay down my pride, and hope you find me on the other side

[Refrão]

Gbm A I don't like the person that I am when I hurt you

'Cause in those moments I desert you

And I realise I don't deserve you

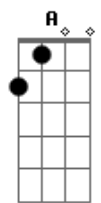

No, I don't deserve you, but

I'm praying on my knees begging that you won't leave me

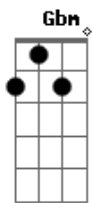

But you can do so much better, please believe me

So I won't blame you if you leave me, leave me 'cause I
