[INTRO]
riff x4

[VERSE 1]

F
Thousand lights passing by
Am
Stories floating around
Silence is long gone by now
All the wishes we had
Dreams that we shared
I remember the time
Closing down open doors
Making fences grow strong
Burning the plants that had grown
Deep inside from the time
when love was our life
Now it's goodbye...

[CHORUS 1]

All of the lies just passing us by
I'm holding to keep it inside
Why no wrong can be right
All the wonders are gone
No more flowers will fall tonight
All of the lies just passing us by

[VERSE 2]

F
Threads of life going by
Am
Precious moments run by
Tossing and turning our minds
All the magic is gone
No more feelings of hope
Will we ever forgive?
Am
Will the wounds start to heal?
I'm tired of pushing the day
Putting down all behind - moving away

[CHORUS 2]

All of the lies just passing us by
I'm holding to keep it in sight
Why? No wrong can be right
All the wonders are gone
No more flowers will fall tonight
All that is gone, just passing us by

[INTERLUDE]

Bb2

[FINAL CHORUS]

Lies just passing us by
I'm holding to keep it in sight
Why? No wrong can be right
All the wonders are gone
No more flowers will fall tonight
All that is gone, just passing us by
