

Anette Olzon - Slow Love Slow

Tom: Eb

Come and share this painting with me

Unveiling of me, the magician that never failed

This deep sigh coiled around my chest

Intoxicated by a major chord

I wonder

Do I love you, or the thought of you?

Refrão:

Slow, love, slow

Only the weak are not lonely

Southern blue, mornign dew

Ice-cream castles, lips to ear rhymes

A slumber deeper than time

Refrão:

Slow, love, slow

Only the weak are not lonely

Solo:

Sloooooow Slow Love Slow

Slow Love Sloooooooooow

Slow Slow hum Hooo hum huuuuuum

Acordes
