

Anette Olzon - Turn Loose The Mermaids

Tom: Eb

(com acordes na forma de C)
Capostraste na 3ª casa

Primeira Parte:

A kite above a graveyard grey
At the end of the line far far away
A child holding on to the magic of birth and awe

Oh, how beautiful it used to be
Just you and me far beyond the sea
The waters, scarce in motion
Quivering still

Refrão:

At the end of the river the sundown beams
All the relics of a life long lived
Here, weary traveller rest your wand
Sleep the journey from your eyes

At the end of the river the sundown beams
All the relics of a life long lived
Here, weary traveller rest your wand
Sleep the journey from your eyes

Segunda Parte:

Good journey, love, time to go
I checked your teeth and warmed your toes

In the horizon I see them coming for you
The mermaid's grace, the forever call
Beauty in spyglads on an old man's porch
The mermaids you turn loose brought back your tears

Refrão:

At the end of the river the sundown beams
All the relics of a life long lived
Here, weary traveller rest your wand
Sleep the journey from your eyes
At the end of the river the sundown beams
All the relics of a life long lived
Here, weary traveller rest your wand
Sleep the journey from your eyes
