

# ANFEAR - Lady Of The Rivers

tom:

Cm

When she stays here dancing  
Cm  
Waves everywhere  
Cm  
When the seasons are strange  
Cm  
She comes to choose one of them

Bb  
I thought she loved me so much  
Bb  
She can't set me free  
Cm  
And the loneliness  
Came to show me  
Cm  
She is all that I need

Cm  
Iara is dancing so beautiful  
Bb  
Over the river  
Gm  
I could not see the curse  
Ab Bb  
That she threw at me  
Cm  
I'll be here forever  
Bb  
I gave her my all  
Gm  
Now comes the day  
Ab Bb Cm  
That I'm gonna drown

Cm  
Is she the same mermaid that  
Cm  
Swam across the sea?  
Cm  
I feel so small admiring her  
Cm  
Singing just to spell me  
Bb  
Oh lady of the rivers  
Bb  
Please forgive my sins  
Cm  
Stop my heart now cause I'm hidden  
Cm  
Lost in your melody
