

ANFEAR - View Of Truth

tom:

Em

Em

I can feel
 D
 Your heart alongside my soul
 C
 Your eyes inside my world
 D
 We are alone

Em
 And I know
 D
 We're different, we're strong
 C
 Some tears can't hide our pain
 D
 And neither our shame

Em
 I've tried hard
 D
 To fight against the dark
 C
 The way of truth is behind
 D
 A light that blinds

Em C D
 Is this the place where we were born?
 Em C D
 The view of truth is too strong

(Em C D Em)

C
 Soldiers are dying there
 D
 Suffering we don't know where
 Em
 We don't know why they bleed
 Em
 Why do they kill?

C
 People are dying there
 D
 Suffering everywhere
 Em
 And we know what they need

Em
 Survive to live!

Em
 Fight for peace?
 D
 There is no sense in it
 C
 I pray that hope still exists
 D
 For who believes

Em
 What is this?
 D
 We're paying for patriots sins
 C
 Human blood shed in vain
 D
 Where's our blame?

Em
 And I've fought
 D
 Against the human beings
 C
 But truth is a line so thin
 D
 So justify

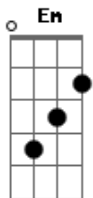

Em C D
 A child is playing with guns!
 Em C D
 Another hope has gone

(Em C D Em)

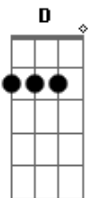

C
 Soldiers are dying there
 D
 Suffering we don't know where
 Em
 We don't know why they bleed
 Em
 Why do they kill?

C
 People are dying there
 D
 Suffering everywhere
 Em
 And we know what they need
 Em
 Survive to live!
