

Angel Olsen - The Waiting

Tom: G

Here you come along
 I take a breath and remind myself that I too can be strong
 Thought I was cool, turns out I'm a fool
 Clearly you've proved me wrong
 I didn't know what I was missing when I was alone

And now I'm fruitlessly waiting for
 Someone not thinking before they start rushing to my door
 Someone to run not walk
 Oh, someone to sing not talk
 Oh, no hesitation at all
 Sometimes I need you to be the one to call
 Well I'm lost in my thoughts they tumble ahead
 Over and over again, yeah it's true

Just take a look at what's been done to me
 I wasted time to ponder
 Here I am now, all Alice in Wonder

Partly I do this to myself but why can't you see
 The gesture is small but know that it means the world to me
 Oh, forgive me for wanting, I'm only learning life
 Forgiven myself and now, there's no returning
 I want to be the one who knows the best way
 I want to be the one who knows the best way
 I want to be the one who knows the best way to love you
 But now I'm foolishly waiting for
 Someone not thinking before they start rushing to my door
 Someone to run not walk
 Oh, someone to sing not talk
 Oh, no hesitation at all
 Sometimes I need you to be the one to call
 I need you to be the one
 I need you to be the one
 I need you to be the one
