Time for your reflection
Bm C
What's the promise you have made?

Destruction of your pride

And reconstruction of my name

Your fate will be traced by the spear

That went tearing through
Am Bm C
When you hear the winds of revenge
Em D
All of the distance and the chains

Bm C
You put around my damned soul
Em D
Right now it's all finished
Bm C
I'm just building your new world
Em D
While you navigate in peace
Bm C
And glance at lands you will control
Em D
Bewitced you cannot see the route
Bm C
And hell where you will go
Am Bm C
When you hear the winds of revenge
Am Bm C
You will see the goddess crying

and the boats will sink and now

You play my secret game

Arising Thunder!

Welcome to me, you fall alone

Stand up and face me in a fight

Drowning in tears deep in the storm

Once again, once again!
