Tom: G

(intro) Em Am C D Em Am C (pequena pausa)  
Am D G C Am ( Bm ) (3x)

Em D Bm C  
Time for your reflection  
What's the promise you have made?

Em D Bm C  
Destruction of your pride  
And reconstruction of my name

Em D Bm C  
You betrayed me where's your bravery?  
Now you face your doom

Em D Bm C  
Your fate will be traced by the spear  
That went tearing through

Am Bm C  
When you hear the winds of revenge

Em D Bm C  
All of the distance and the chains  
You put around my damned soul

Em D Bm C  
Right now it's all finished  
I'm just building your new world

Em D Bm C  
While you navigate in peace  
And glance at lands you will control

Em D Bm C  
Bewitced you cannot see the route  
And hell where you will go

Am Bm C  
When you hear the winds of revenge  
Am Bm C  
You will see the goddess crying  
Am Bm C D  
and the boats will sink and now  
You play my secret game

Em  
Arising Thunder!
