

Angra - Carry On

tom:

E (forma dos acordes no tom de F)

Afinação: Eb Ab Db Gb Bb Eb

Simple minded brain
For now you succumb
Nothing changes your way
This worlds insists to be the same
Based on our mistakes
The flowers fade along the road
Don't blindfold your eyes
So loneliness becomes the law of a senseless
Life
Follow your steps and you will find
The unknown ways are on your mind
Need nothing else than just your pride to get
There
Go
Now we have to face another day
You won't be alone
This life is forcing us to stay
- For how long?
Cold is the wind and thunder struck on a
Stormy night
But can't you see, I'm by your side
We are marching on!
Follow your steps and you will find

The unknown ways are on your mind

Need nothing else than just your pride to get
There

So, carry on
There's a meaning to life
Which someday we may find
Carry on, it's time to forget
The remains from the past, to carry on

[Solo]

Follow your steps and you will find
The unknown ways are on your mind
Need nothing else than just your pride to get
There

So, carry on
There's a meaning to life
Which someday we may find
Carry on, it's time to forget
The remains from the past

So, carry on
There's a meaning to life
Which someday we may find
Carry on, it's time to forget
The remains from the past, to carry on
Remains from past, to carry on
Remains from past
