

# Angra - Carry On

tom:

E (forma dos acordes no tom de F )

Afinação: Eb Ab Db Gb Bb Eb

Simple minded brain  
 For now you succumb  
 Nothing changes your way  
 This worlds insists to be the same  
 Based on our mistakes  
 The flowers fade along the road  
 Don't blindfold your eyes  
 So loneliness becomes the law of a senseless  
 Life  
 Follow your steps and you will find  
 The unknown ways are on your mind  
 Need nothing else than just your pride to get  
 There  
 Go  
 Now we have to face another day  
 You won't be alone  
 This life is forcing us to stay  
 - For how long?  
 Cold is the wind and thunder struck on a  
 Stormy night  
 But can't you see, I'm by your side  
 We are marching on!  
 Follow your steps and you will find

The unknown ways are on your mind

Need nothing else than just your pride to get  
 There

So, carry on  
 There's a meaning to life  
 Which someday we may find  
 Carry on, it's time to forget  
 The remains from the past, to carry on

[Solo]

Follow your steps and you will find  
 The unknown ways are on your mind  
 Need nothing else than just your pride to get  
 There

So, carry on  
 There's a meaning to life  
 Which someday we may find  
 Carry on, it's time to forget  
 The remains from the past

So, carry on  
 There's a meaning to life  
 Which someday we may find  
 Carry on, it's time to forget  
 The remains from the past, to carry on  
 Remains from past, to carry on  
 Remains from past
