

Angra - Carry On

tom:

E (forma dos acordes no tom de F)

Afinação: Eb Ab Db Gb Bb Eb

Simple minded brain
 For now you succumb
 Nothing changes your way
 This worlds insists to be the same
 Based on our mistakes
 The flowers fade along the road
 Don't blindfold your eyes
 So loneliness becomes the law of a senseless
 Life
 Follow your steps and you will find
 The unknown ways are on your mind
 Need nothing else than just your pride to get
 There
 Go
 Now we have to face another day
 You won't be alone
 This life is forcing us to stay
 - For how long?
 Cold is the wind and thunder struck on a
 Stormy night
 But can't you see, I'm by your side
 We are marching on!
 Follow your steps and you will find

The unknown ways are on your mind

Need nothing else than just your pride to get
 There

So, carry on
 There's a meaning to life
 Which someday we may find
 Carry on, it's time to forget
 The remains from the past, to carry on

[Solo]

Follow your steps and you will find
 The unknown ways are on your mind
 Need nothing else than just your pride to get
 There

So, carry on
 There's a meaning to life
 Which someday we may find
 Carry on, it's time to forget
 The remains from the past

So, carry on
 There's a meaning to life
 Which someday we may find
 Carry on, it's time to forget
 The remains from the past, to carry on
 Remains from past, to carry on
 Remains from past
