

# Angra - Cycles Of Pain

tom:

Intro: **Bm** **Dm** **Dm**  
**Bb** **Gm** **Dm** **Am**

[Primeira Parte]

**Bm**  
You wake up alone again  
**Bm**  
It's hard to get out of bed  
**Dm**  
Your mind is blank  
**Dm**  
Your heart is black  
**Bm**  
All these fears that you can't explain  
**Bm**  
When nothing seems to make sense  
**Dm**  
A shallow grave you're buried in

[Pré-Refrão]

**Bb** **Gm**  
Everything goes wrong and you're lonely  
**Dm**  
Try to control  
**Dm**  
Put up a fight  
**Am**  
Lying helpless in the dark  
**Bb** **Gm**  
Everything goes wrong and you're desperate  
**Dm**  
Taking a life  
**Dm**  
Won't make it right  
**Dm**  
Hide your tears

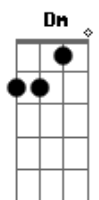

[Segunda Parte]

**Bm**  
The battle of everyday  
**Bm**  
Pretend it's all gone away  
**Dm**  
The agony of broken dreams  
**Bm**  
The hours are all the same  
**Bm**  
And misery wants to stay  
**Dm**  
Tortures me, burn and cry

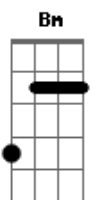

[Pré-Refrão]

**Bb** **Gm**  
Everything goes wrong and you're lonely  
**Dm**  
Just try to control  
**Dm**
