

Angra - Gentle Change

Tom: **A**

Segunda Parte:

Introdução:

Primeira Parte:

I see the stars in your eyes
 Portraying my face in the future
 Nice is the weather outside
 But I'll stay at home
 Oh, waiting for the rain

Memories of when we were young
 Wishing so bad to be older
 Now you may look to the past
 The only way forward

Refrão:

Gentle change of tides
 Upcoming days
 Oh, the spirits of a new ho_rizon fall
 Into old dreams

Refrão:

Interlúdio:

A E D Dbm
 Am D A G G

Terceira Parte:

Standing here howling at the storm
 Shouting how life could be perfect
 Well, then the walls have to fall
 To start it again

(2x)

Refrão Final:

Gentle change of tides
 Upcoming days
 Oh, the spirits of a new ho_rizon fall
 Into old dreams

Segunda Parte (Pré-refrão):

Lightning up another cigarette
 Playing cool while cracking up inside
 Saying hi to people's like saying goodbye
 Laughing, but wishing to cry

Far away from sights
 Oh, hidden in the haze
 Oh, oh, spirits of a new ho_rizon fall
 Into old dreams
