

Angra - Holy Land

Tom: C
Intro: C Am Ab G

C
We were born in a Golden Age

Beyond the creed

Blown with the winds to meet

The ones who creep

And pray

Unshold feet traces on fresh sand
A map unfold

Spreading out knowledge,
Magic and love

And then

Ooh, and then

C
Carried by wooden gods

We leave toward the sky

Gushed out the holy blood

From those who die

To bless

Bb F Fm C
Ooh, and dance

Somebody here

To bring an age

Long disappeared
