

Angra - Lisbon

Tom: C

Everynight ^{Am} I say a prayer ^C
^{Am} Look at me: nobody cares ^C
^{Dm} Just a mirror, passing by...
^C Looked inside:
^G I've lost my pride! ^{Am}

^{Am} Stay with me not for so long ^C
^{Am} It's alright: no needs, no hope ^C
^{Dm} Such a miracle,
^{Am} looking back...
^C Times gone by,
^G and life wasn't bad...! ^{Am}

^{Em} ^F ^{Em}
 Lord, light my way
^F ^{Em} ^F
 Fill these withered,
^{Em}
 careless hands...
^{Am} ^G

Oh, skies are falling down
^F Skies are falling down
^{Am} ^G
 Oh, skies are falling down
^F Skies are falling down

^{Am} ^C
 See, the birds are back...
^{Am} ^C
 At the docks and everywhere
^F ^{Am}
 Here in Lisbon, realized
^C
 This whole world
^G ^{Am}
 so strange and divine

^{Em} ^F ^{Em}
 Lord, light my way
^F ^{Em} ^F
 Fill these withered,
^{Em}
 careless hands...

^{Am} ^G
 Oh, skies are falling down
^F Skies are falling down
^{Am} ^G
 Oh, skies are falling down
^F Skies are falling down (3x)
