

Angra - Millenium Sun

Tom: C

(intro) Dm F Am (C Am) Dm E7 D Am Bm

Dm F Am (C Am)

An eagle breaks the silence

Dm F Am Am (C Am)

And overflies the field

Dm E7 Am G

My eyes will try to follow

D Am Bm C

Till it vanishes away

Dm F Am (C Am)

Like candles in the darkness

Dm F Am Am (C Am)

We fight against the wind

Dm E7 Am G

Devotion to your idols

D Am Bm C

Soon will overthrow the king

Dbm

Out of order

Taming borders

Gb

Tearing down the fences

B

On and on and after all

Dbm

The century has gone

Racisme jumble

turbulence

My eyes believe we have gone to the end

(ordinary earth) ordinary earth

Sailing through the space

Dbm

Population alienation

Gb

Losing all affection

B

Calling on to heaven's hope

Dbm

To watch for my protection

Out of luck

Potential struck

Gb

Remote controlled

A

By t.v. again

E

(carries human souls) carries human souls

Lead us to the journey of our fate

So come millenium sun

Won't you show us the way

Future's begun

So words from my mouth come

Pictures a sunset on the lake

Mirrors of crystal your portrait

Walking on this field while i wait

So come millenium sun

Won't you show us the way

Future's begun

So words from my mouth come

Whispering for your return

Show us the future's began

Burning in millenium sun!!!

Acordes
