

# Angra - Reaching Horizons

tom: C

Rainy clouds <sup>Am</sup>

Covered up the sunny sky <sup>F</sup>

Now I know I'll sleep alone tonight <sup>Am</sup>

Tears and prays <sup>F</sup>

Will be taken by the rain <sup>Am</sup>

Fear and loneliness <sup>F G</sup>

In my dreams

And I know I'll never be <sup>B C</sup>

The same living this tragedy <sup>A Dm</sup>

Insane all I wanna be <sup>F</sup>

Is to be free with you with me <sup>G Em F</sup>

I don't blame the fate <sup>G</sup>

But it's too hard to face the truth <sup>E Am F G</sup>

It was all just like paradise <sup>F</sup>

Just like we wanted to be <sup>G C G Am G</sup>

<sup>F G</sup>

Far beyond the reason <sup>Em F</sup>

Rest our lives

Eternity denies <sup>G E</sup>

The guilt of reality senselessness <sup>F G C G</sup>

Fly high, reaching skies <sup>F C G Am G</sup>

Two eagles flying <sup>F G</sup>

To be free <sup>C G Am G</sup>

Moments of madness <sup>F C</sup>

Will be left behind <sup>G Am G</sup>

The same horizon <sup>F G</sup>

But in different lands <sup>Am G</sup>

Fly high, reaching skies <sup>F C E Am G</sup>

Two eagles flying <sup>F G</sup>

To be free <sup>C G Am G</sup>

Moments of madness <sup>F C</sup>

Will be left behind <sup>G Am G F</sup>

The same horizon <sup>G</sup>

But in different lands
