

Angster - The Elixir

Tom: C
Intro: A G F G

A G A
There's a magic in this thing, I can show you the power!
F G A
This has nothing with illusion, you see with your eyes
A G A
Shake your wings and go beyond the skies
F G A
And just drink the elixir of life!

F C A
For all the angels of this world
F
and all the gods that we don't know
G A
Near somewhere they can be found

F C A
Forever bringing peace for minds
F
Like that I'm sure there is no kind
G A
This how we make things better

A G C G E
Close your eyes, embrace the legendary path
F
Take this will

A G
Cry can destroy the glass, this is not a law
F G
But the limit is not an invention
A G
Fire will burn the books, this is just a way to run
F G
From all your learnings
A G
Despair is not your friend, far away is some place

F G
to hide your face from the darkness
A G
You can do what is right, drink the Elixir of life
F G
And party with loudness!
A G A
All I've written in this song is the legend instead
F G A
A G A
Hear the voice inside your head, this who you want to be
A G A
Bang your head for metal gods and scream!
F G A
Legendary warriors of your dreams!

F C A
Kukulcán creations went so strong
F
We praise the sacred serpent
G A
Long life to all creator gods!

F C A
Ever had a calm before the storms
F
And we all know destiny wont stop
G A
Face the matters with your heart

A G A F G
Hold on with your soul, I beg for reasons to save something
wrong!
A G A F G
Don't stop resisting this huge pain!
A G A F G
For the life, for the mother nature
A G A F G
We can be hope for the stars!
A G A F G
I can see this dream, coming true!
