Angster - The Elixir

Tom: C	F G
Intro: A G F G	to hide your face from the darkness
A G A There's a magic in this thing, I can show you the power!	You can do what is right, drink the Elixir of life F G
This has nothing with illusion, you see with your eyes	And party with loudness!
A G A Shake your wings and go beyond the skies	A G A All I've written in this song is the legend instead
F G A	F G A
And just drink the elixir of life!	Hear the voice inside your head, this who you want to be A G A A
F C A For all the angels of this world	Bang your head for metal gods and scream!
F	Legendary warriors of your dreams!
and all the gods that we don't know	F C A
Near somewhere they can be found	Kukulcán creations went so strong F
F C A Forever bringing peace for minds	We praise the sacred serpent
F	Long life to all creator gods!
Like that I'm sure there is no kind	F C A
This how we make things better	Ever had a calm before the storms
A G C G E	And we all know destiny wont stop
Close your eyes, embrace the legendary path	Face the matters with your heart
Take this will	
A G	Hold on with your soul, I beg for reasons to save something
Cry can destroy the glass, this is not a law	wrong! A G A F G
But the limit is not an invention	Don't stop resisting this huge pain!
A G	A G A F G
Fire will burn the books, this is just a way to run	For the life, for the mother nature
F G	A G A F G
From all your learnings	We can be hope for the stars! A G A F G
Despair is not your friend, far away is some place	I can see this dream, coming true!
