

Angus and Julia Stone - Heart Beats Slow

Tom: Ab

(com acordes na forma de Capotraste na 1ª casa
Intro: Em D C C (2x))

Well, I heard you were
(You were a lion)
About how brave you are
Well, I heard you were
You were still trying
Trying to get back to the start

No we won't let it into the kitchen
No we won't let it into the house
No we won't let it through the front door
Cause it's burning a print in our heart

I'm gonna miss you
I'm gonna miss you, girl
And all of the things we should have done

You say I move so fast
That you could hardly see
You say I move so fast
How could you be with me?

But my heart beats slow
But my heart beats slow
But my heart beats slow
But my heart beats slow

Em D C C
Well I wish you, wish you well
All the best
Well I wish you, wish you well
All the best

No we won't let it into the kitchen
No we won't let it into the house
No we won't let it through the front door
Cause it's burning our pretty little heart

You say I move so fast
That you could hardly see
You say I move so fast
How could you be with me?

But my heart beats slow
But my heart beats slow
But my heart beats slow
But my heart beats slow
But my heart beats slow
But my heart beats slow
But my heart beats slow
But my heart beats slow
