Intro: G Em7

G
I wish I had a mango tree

Em7
In my backyard

G
With you standing next to me

Em7
Take the picture

G
From her lips I heard her say

Em7
Can I have you

G
Caught up on what to say

Em7
I said you do

Chorus
I said you do... I said you do...

Through my eyes I can see
A shooting star
Weaving its way across the sea
Somewhere from Mars
Cause down the street we will run
Scatch our names in the path
Young and free, in the sun
Wheels upon the tar

I said you do

I said you do
I said you do
I said you do
I said you do

solo

G Em7

G Em7

Chorus played over

I wish I had a mango tree
In my backyard
With you standing next to me
Take the picture
From her lips I heard her say
Can I have you
Caught up on what to say
I said you do

I said you do
I said you do
I said you do
I said you do
