[Primeira Parte]

We're living in the gold
 Driving in your car
 And the cases that went cold
 I want to be wherever you are
 And we're sitting in that room
 And you spoke in japanese
 Singing words, "I'll come home soon"

Want to please you
 You want to please me

[Refrão]

Don't take my word for it
 Just look at me to know that I love you
 Don't take my word for it
 Just look at me to know that I do
 Look at me to know that it's true

[Segunda Parte]

Driving around that town
 Where you've been before
 And we're like the kids from Candy
 Kissing in the grocery store
 And there's nowhere else to be

I could live in your old car
 With the broken stereo
 I want to be wherever
 Wherever you are

[Refrão]

Don't take my word for it
 Just look at me to know that I love you
 Don't take my word for it
 Just look at me to know that I do
 Look at me to know that it's true

There you go
 I won't see you for a month of shows
 I should say
 Everything I have I would give away

(Gm7 Eb Bb F Eb)
 (Gm7 Eb Bb F Eb)

[Refrão Final]

Don't take my word for it
 Just look at me to know that I love you
 Don't take my word for it
 Just look at me to know that I do
 Look at me to know that it's true
 Just look at me to know that I do
 Look at me to know that it's true
