Intro: Em

I got ^{Em}chills, they're ^Cmultiplying, and I'm ^Glosing control
'Cause the ^Bpower you're ^Csupplying, it's ^{Em}electrifying

You ^Gbetter ^{Bm}shape up, 'cause I ^Cneed a man, and my ^{Em}heart is set on you

You ^Gbetter ^{Bm}shape up, better ^Cunderstand, to my ^{Em}heart I must be true

You're the ^Gone that I ^{Em}want, ooh ooh ooh, honey

The ^Gone that I ^{Em}want, ooh ooh ooh, honey

The ^Gone that I ^{Em}want, ooh ooh ooh

Can't you ^Csee, oh yes ^{Em}indeed, oh yes indeed

If you're ^{Em}filled with ^Caffection, you're ^Gtoo shy to ^Bconvey
Meditate ^Cmy ^{Em}direction, feel ^Cyour way

You ^Gbetter ^{Bm}shape up, cause you ^Cneed a man, who can ^{Em}keep me satisfied

You ^Gbetter ^{Bm}shape up, you ^Cbetter prove, that my ^{Em}faith is justified

But I'm ^Csure down ^{Em}deep inside

You're the ^Gone that I ^{Em}want, ooh ooh ooh, honey

The ^Gone that I ^{Em}want, ooh ooh ooh, honey

The ^Gone that I ^{Em}want, ooh ooh ooh

Can't you ^Csee, oh yes ^{Em}indeed, oh yes indeed
