 Billy was a train, driving man
 He went from one side to the other side of town
 He went to bed with the light on
 He went to bed with the light on

Ride on

He found his struggle with the wind
 Something we never, came to understand
 He felt lost, in the dark
 Even when there was someone, he felt apart

Alone
 Alone
 Alone

Dm F
 Cause in the, dark
 Am C
 There's monsters, they cry alone
 Dm F
 They're waiting
 Am C
 For you to come along, and play
 Am C
 For you to come along, and play

Am C
 He made his way to the liquor store

couldn't help but notice, the man at the door
 Yeah he did, he caught his eye
 He said sir, please a nickel, before I die

Alone
 Alone
 Alone

Cause in the, dark
 There's monsters, they cry alone
 They're waiting
 For you to come along, and play
 For you to come along, and play
 And play
 For you to come along, and play
 And play

Cause in the, the dark
 There's monsters, they cry alone
 They're waiting
 For you to come along, and play

Cause were monsters at heart
 At heart, at heart
 There's monsters, in their hearts
 Their hearts

For you to come along and play
 And play
 For you to come along
 And play

Billy was a train driving man
 He got lost, some place in the wind
