

Aníbal Raposo - Sintonia para pressa e presságio

tom:

Intro: C G7 C C

[Primeira Parte]

Escrevia no espaço

Hoje, grafo no tempo

Na pele, na palma, na pétala

Luz do momento

São na dúvida que separa

O silêncio de quem grita

Do escândalo que cala

No tempo, distância, praça

Que a pausa, asa, leva (asa leva)

Para ir do percalço ao espasmo

[Segunda Parte]

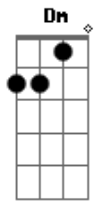

Eis a voz, eis o deus, eis a fala

Eis que a luz se acendeu na casa

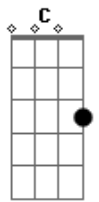

E não cabe (na casa e não cabe)

Mais na sala
