

# ANIE - Greatest Things

tom:  
 Gm (forma dos acordes no tom de Abm )  
 Afinação: Eb Ab Db Gb Bb Eb

There's a mighty mountain  
 Far away from here  
 The breeze comes so gently  
 I felt it on skin  
 Every morning i hear, the whispers in my ears  
 I'm waiting for so long  
 An enchanted moment  
 If i only learn what moves us all  
 Heating the wind able to boost my wings  
 Ready set to jump and fall  
 Soaring in the heat of the wind  
 Push yourself harder to reach  
 The place you belong, the sky is a part of you  
 Soaring in the heat of the wind  
 Push yourself harder to reach  
 Wide-eyed wanderer the sense of greater things

The journey to the land  
 The thunder in the way  
 The wild outdoors scares you away  
 Just don't walk away there's an empty space to  
 Complet  
 Ready set to jump and fall  
 Soaring in the heat of the wind  
 Push yourself harder to reach  
 The place you belong, the sky is a part of you  
 Soaring in the heat of the wind  
 Push yourself harder to reach  
 Wide-eyed wanderer the sense of greater things  
 O o o ...  
 Soaring in the heat of the wind  
 Push yourself harder to reach  
 Wide-eyed wanderer the sense of greater things
