

ÂNIMA - Projeto - Esperança

tom:

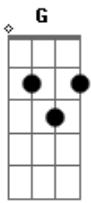

Intro: G D C G C C

Quero viver, quero sentir
 Quero dizer que vale a pena
 Viver cada verso desse poema

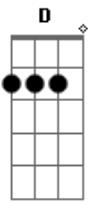

Quero encantar, quero sonhar
 Que ainda sou uma criança
 Trazendo um sorriso de esperança

Tomo minhas asas pra voar
 Sempre mais alto me levantar
 Escalar outro monte, em novas águas mergulhar
 Não vou desistir nunca de amar
 Vou virar a página, recomeçar
 Reacender a minha chama e viver só de esperança
 De esperança em esperança
