

# Animaniacs - The Ballad Of Magellan

tom:

There once was a man  
 His name was Magellan  
 A Portuguese skipper  
 The girls found him handsome  
 He sailed with five ships  
 To find the East Indies  
 Then come back to Spain

With a bounty of loot  
 Whoopie ti-yi-yo  
 Oh happy Magellan  
 Starting your journey  
 With hardly a care  
 Whoopie ti-yi-yo  
 Strong, brave Magellan  
 You'll find the East Indies  
 You just don't know where
