

Animaniacs - The Ballad Of Magellan

tom:
 There once was a man
 His name was Magellan
 A Portuguese skipper
 The girls found him handsome
 He sailed with five ships
 To find the East Indies
 Then come back to Spain

With a bounty of loot
 Whoopie ti-yi-yo
 Oh happy Magellan
 Starting your journey
 With hardly a care
 Whoopie ti-yi-yo
 Strong, brave Magellan
 You'll find the East Indies
 You just don't know where
