Hot girls where I?m from
We don?t look like models

Tan lines, big curves
And the energy glows
You?ll be falling in love
With the girl from Rio

[Primeira Parte]

F7M
Let me tell you ?bout a different Rio
The one I?m from but not the one that you know
The one you meet when you don?t have no "real"
Baby, it?s my love affair

It?s my love affair, yeah

Just found out I have another brother

Same daddy but a different mother

This was something that I always wanted

Baby it?s a love affair

It?s a love affair yeah

Oh woah

I got it

I got it

I got it

I got it

It runs in my blood oh

I love it

I love it

I love it

I love it

You already know

A dime a dozen

I?m lucky

I?m lucky

I?m lucky

I know

It?s my love affair
