

Anna Beneli & Marcelo Dinelza - Soulmate

Tom: C
Intro: C C Am F

Just tell me why
With your sweet eyes you messed up my mind
With your music you made me fly
And with your heart
Oh why?
Maybe you're the one I met in my entire life
You could be the best I've found
I thought I wish you here making my eyes bright
But then you left me out
Why are you that way with me?
You made me dream a perfect world

Oh! It would be
Why can't we hold our hands in the street?
Your soul was born to stay with me
The pain came to be bittersweet
Oh my love I promise you that I won't be late to be with you
So why?
Love fits perfectly with your name
To me it sounds the same
Oh my love, can we meet again?
Why are you that way with me?
You made me dream a perfect world
Oh! It should be
