

# Anna Golden - Peace

tom:  
E

I found peace in the river  
I found peace by quiet streams  
I found peace on the mountain  
I found peace in fields of green

I found peace in the desert  
I found peace in raging waves  
And I found peace in the valley  
I found peace in what You say

Oh and I can fin'llly breathe again  
I can fin'llly breathe again

I found peace in the chaos  
I found peace in suffering

And I found peace in confusion  
I found peace inside of me

Oh and I can fin'llly breathe again  
I can fin'llly breathe again  
I can fin'llly breathe again

( A Dbm E )  
( A Dbm E )

And I can fin'llly breathe again  
I can fin'llly breathe again  
I can fin'llly breathe again

'Cause I found You in the river  
I found You in suffering  
And I found You on the mountain  
You wre always around me
