

# Anna Golden - The Word

tom:

Intro: D  
[Primeira Parte]

In the beginning the word was with God  
And the word was God himself  
There in the shadows a whisper of light  
And the veil of darkness fell

[Refrão 1]

The word was, the word is  
The word will be forever and ever  
The word was, the word is  
The word will be forever and ever

[Segunda Parte]

There in the middle the word became flesh  
From glory down to dust  
Traded the heavens to come wash our feet  
Living water here with us  
All for a world He loved

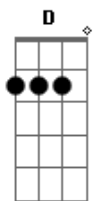

[Refrão 1]

The word was, the word is  
The word will be forever and ever  
The word was, the word is  
The word will be forever and ever  
Forever and ever

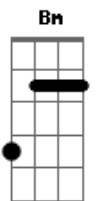

[Ponte]

For when You say it  
It is finished
