Tom: C

Intro: C Em Am F D G Am

Verse 1:

C Em  
I've got this feeling  
Am G  
I could sail across the universe  
F D  
At least across the ceiling  
C  
If I tried  
Em Am  
But there's a thousand little things  
G F  
To rub the dust from off my wings  
D  
So I am barely  
G F (G)  
Any more than very stationary

Chorus:

(G)  
All on my own  
F C  
I don't think that I'd have faired so well  
G  
All on my own  
F (C)  
I don't think that I'd have faired so well

Verse 2:

(C) Em  
Somebody's driving  
Am G  
From the backseat of your mind  
F D  
And they decide you've smiled enough  
G D  
They roll your car with blatant disregard for those  
(C)  
Whose arms were molded  
Am G  
By heaven just to hold you  
F D  
And we'll all be there to hold you  
G  
Through the ugly days  
F (G)  
And that's when you'll say

Chorus:

(G)  
All on my own  
F C  
I don't think that I'd have faired so well  
G  
All on my own  
F C  
I don't think that I'd have faired so-

Bridge:

Am G Dm Am  
It all feels something like the bends  
C G Dm Am  
Because it's always up and down again  
C G (F)  
And you can't always  
C G C  
You can't always...

Music

Well I can tell  
Am G  
That this is gonna hurt like hell  
F D

That can make a person feel alive and

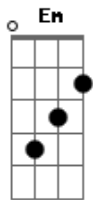

Chorus:

(G)  
All on my own
