

# Annapantsu - Le Festin English Version

tom:

**Eb**

**E Dbm Gbm**  
The dreams of young lovers are like a good wine

**Gbm B Abm Dbm**  
Surprised by the richnees and sorrow they'll find

**E Eb D Db7**  
Longing for something sweet, come sweep me off my feet

**Gbm B Abm Dbm**  
Holding for some change, to take me away

**Gbm B E**  
For nothing in life comes free

**E Dbm Gbm B**  
Oh, hope is a dish far too quickly consumed

**Gbm B Abm Dbm**  
Pipe dreams on a plate, I'm simply run-through

**E Eb D Db7**  
All alone, sitting still, a table for two

**Gbm B Abm Dbm**  
Bitterness plagues me, but what I am to do?

**Gbm B E**  
For nothing in life comes free

**E Dbm Abm A**

You'll see... Never they'll tell me

**E Dbm Abm A Gbm B**  
I'll spread my wings and fly far from here, reaching for my best

**Gbm B**  
Then finally, my heart will be at rest

**Gbm B Db Ebm**  
The party's about to begin so

**E Dbm Gbm B**  
Grab all the glasses and bottles you can

**Gbm B Abm Dbm**  
Dress up the table, and cheers the end

**E Eb D Db7**  
Of the sorria, the sadness, all the strife we've endured

**Gbm B Abm Dbm**  
A new day is coming, those wishes been heard

**Gbm B E**  
Oh, sit down and enjoy what's served

**Gbm B Abm Dbm**  
A new day is coming, those wishes been heard

**Gbm B E**  
Oh, sit down and enjoy what's served
