

# Anne-Marie - Ciao-Adios

Tom: G

Yeah, yeah, yeah, yeah, yeah  
 Uh

Ask you once, ask you twice now  
 There's lipstick on your collar  
 You say she's just a friend now  
 Then why don't we call her  
 So you want to go on with someone  
 To do all the things you used to do to me  
 I swear, I know you do

Used to take me out, in your fancy car  
 And make out in the rain  
 And when I ring you up  
 Don't know where you are  
 'Til I hear her say your name  
 Used to sing along, when you played guitar  
 Just a distant memory  
 Hope she treats you better than you treated me, ha

I'm onto you, yeah you  
 I'm not your number one  
 I saw you, with her  
 Kissing and having fun  
 If you're giving all of your money and time  
 I'm not gonna sit here wasting mine on you, yeah, you  
 Ciao adios, I'm done  
 Ciao adios, I'm done  
 Ciao adios, I'm done

After three, after four times  
 Why did I bother?  
 Tell me how many more times  
 Does it take to get smarter?  
 Don't need to deny the hurt and the lies  
 And all of the things that you did to me  
 I swear, I know you did

And now you take her out, in your fancy car  
 And you make out in the rain  
 And when she rings you up

She know where you are  
 But I know differently  
 Now she sings along, when you play guitar  
 Making brand new memories  
 Hope you treat her better than you treated me

I'm onto you, yeah you  
 I'm not your number one  
 I saw you, with her  
 Kissing and having fun  
 If you're giving all of your money and time  
 I'm not gonna sit here wasting mine on you, yeah, you  
 Ciao adios, I'm done (I'm done)  
 Ciao adios, I'm done (no, no, no, no)  
 Ciao adios, I'm done  
 If you're giving all of your money and time  
 I'm not gonna sit here wasting mine on you, yeah, you  
 Ciao adios, I'm done (I'm done)

And now you take her out, in your fancy car  
 And make out in the rain  
 And when she rings you up  
 She know where you are  
 But I know differently  
 Now she sings along, when you play guitar  
 Making brand new memories  
 Hope you treat her better than you treated me

I'm onto you, yeah you  
 I'm not your number one  
 I saw you, with her  
 Kissing and having fun  
 If you're giving all of your money and time  
 I'm not gonna sit here wasting mine on you, yeah, you  
 Ciao adios, I'm done (I'm done)  
 Ciao adios, I'm done (you get on with your life, I'll get on with my life)  
 Ciao adios, I'm, I'm done  
 If you're not giving all of your money and time  
 I'm not gonna sit here wasting mine on you, yeah, you
