Fm Cm Gm Cm

Your eyes, your shoes  
Gm Cm

It's hard to choose

But the best thing about you

Is the way that you move

Side by side  
Gm Cm

All through the night

And the thing we drag the most  
Gm Cm

Is to see the morning light

Hey, okay  
Fm Cm

Why don't you stay another day?  
Fm Cm

And if it feels allright  
Gm Cm

Will you stay another night?

Hey, allright  
Fm Cm

Why don't you stay another night?  
Fm Cm

And if it feels okay

Will you stay another day?  
Gm Cm

Your place or mine  
Fm Cm

Whatever, it's fine  
Gm Cm

Let's dance and sway the night away  
Fm Cm Gm Cm

No fear, no shame
