<sup>Bm</sup>  
 I can't go home  
<sup>A</sup>  
 I cannot sleep  
<sup>Bm</sup>  
 I cannot give  
<sup>A</sup>  
 I cannot keep

<sup>G</sup>  
 This heart of stone has left me here  
<sup>Gbm</sup>  
 With only rumors of your left  
<sup>G Gbm Bb</sup>  
 I guess to see you leaving was for the best

<sup>Bm</sup>  
 I dream too much  
<sup>A</sup>  
 and spend my days  
<sup>Bm A</sup>  
 Like a sailor lost at sea

<sup>G</sup>  
 And you were like a mermaid  
<sup>Gbm</sup>  
 in that Danish fairytale  
<sup>G</sup>  
 I guess the best thing that I could do  
<sup>Gbm Bb</sup>  
 is to sail

<sup>Bm G</sup>  
 Away from this sunken soldiers ball  
<sup>Bm G</sup>  
 Away, do you remember me at all?

<sup>Gbm G</sup>  
 I have no better words than "Thank you and goodbye"  
<sup>Gbm G A Bm</sup>  
 I wish I didn't have to see our love die

( <sup>Bm A Bm A</sup> )  
 ( <sup>G Gbm G Gbm Bb</sup> )

<sup>Bm</sup>  
 At last I'm home  
<sup>A</sup>  
 My horse will rest  
<sup>Bm</sup>  
 This tattooed heart  
<sup>A G</sup>  
 This trembling chest must be alone

And carry this sorrow back to bed  
<sup>G Gbm Bb</sup>  
 I hope there was no innocent blood shed

<sup>Bm G</sup>  
 Away from this sunken soldiers ball  
<sup>Bm G</sup>  
 Away, do you remember me at all?  
<sup>Gbm G</sup>  
 I have no better words than "Thank you and goodbye"  
<sup>Gbm G A Bm</sup>  
 I wish I didn't have to see our love die

( <sup>Bm G Bm G</sup> )  
 ( <sup>Gbm G Gbm G A</sup> )

<sup>Bm G</sup>  
 Away from this sunken soldiers ball  
<sup>Bm G</sup>  
 Away, do you remember me at all?
