

Annika Rose - In The End

tom:
 E
 Gbm A
 Tell me why I feel so sick
 E
 Every time something goes my way
 Gbm A
 And I break off friendships
 E
 Just so I have something to say
 Gbm
 'Cause I'm conscious of it
 A
 I think I might even love it
 E
 But can someone ask me
 E
 If I'm still happy?
 Gbm
 'Cause it feels like
 A
 The more that I pull back
 E
 I'm self-inflicting pain, again
 E
 Well, I just wanna know
 Gbm
 Will it be worth it?
 A
 Will it be worth it?
 E
 Worth all the loneliness?
 E
 Worth all the weight on my chest?
 Gbm
 Will it be worth it?
 A E
 Or am I just selfish in the end?
 E
 In the end
 Gbm A
 I'm not masochistic
 E
 I just like the way it feels
 E
 (Shouldn't want what I want)
 (But I want what I want)
 Gbm A
 I might cut up an onion
 E
 If i'd help me shed a tear
 (Shouldn't want what I want)
 E
 (But I'll get what I need)
 Gbm
 I throw a fi-i-it
 A
 I lose my shi-i-it
 E
 But can someone ask me
 E
 If I'm still happy
 Gbm
 'Cause it feels like
 A
 The more that I freak out
 E
 I manifest my fears
 Is that weird?
 E
 I just wanna know
 Gbm
 Will it be worth it?
 A
 Will it be worth it?
 E
 Worth all the loneliness?
 E
 Worth all the weight on my chest?
 Gbm
 Will it be worth it?
 A E
 Or am I just selfish in the end?
 E
 In the end?
 Gbm
 I know I get stupid crazy
 Thinking it'll satisfy me
 A
 Know it's been a while, sorry
 E
 Please don't leave me in the end
