

Annika Rose - Just Like You

tom:
 Gb (forma dos acordes no tom de F)
 Capostraste na 1ª casa

Do you see you and me?
 I'm the apple, you're the tree
 You know I'll never fall too far from you, oh
 Just like when you were young
 I'm the bullet, you're the gun
 Taking shots across the living room
 You tell me I'm a liar

Well that's so heartless
 Baby, I'll fight fire with fire
 Look what you started
 Oh, I'm gonna start a fight
 With my toxic state of mind
 Feeling like I got something to prove
 I'm destructive, just like you
 'Cause I learned it from the best
 Lashing out when I'm a mess
 I don't really mean to be so cruel
 But I hate the part of me that's just like you
