

Anonimo FTP - Hino À Santa Rita de Cássia

Tom: A

m

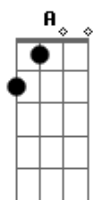

Santa Rita, de glória celeste
 Teus devotos a Cristo conduz
 De mil graças de fé nos reveste
 Atraindo-nos juntos a Jesus

[Refrão]

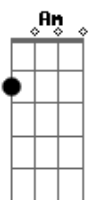

Salve, ó Rita, fiel padroeira
 Salve, salve, da glória sem véu
 Sê-nos guia, segura e certa

Para Deus, para a pátria dos céus
 És modelo de filha e esposa
 E do claustro invejável esplendor
 Em teus passos, nossa alma ditosa
 Possa encher-se de graças, de amor
 Oh, protege as humildes ovelhas
 Conduzindo-as de Cristo ao redil
 E de amor as mais vivas centelhas
 Vem, por Deus, espargir no Brasil
